Earn your Professional MBA* at Regis in less than 1 year!

The rapidly growing needs of professionals in non-business fields are growing and Regis has you covered!

Sign up for our **Professional MBA information session on Wednesday, May 17 at 5:00pm EST via Zoom** to learn how you can develop practical knowledge of business, leadership skills, and the ability to put ethical principles into practice.

You will meet with the program director, learn more about the customizable curriculum, and see how a Professional MBA will allow you to take away practical and career-focused management expertise to grow in your field.

Attend an Info Session

Questions? Connect with Mike May, Assistant Director of Graduate Admission at michael.may@regiscollege.edu

*The Professional MBA is for current Regis Graduate Students or Regis Graduate Alumni

Regis College Library

Keeping your research organized can be time-consuming! Did you know that the library provides access to a tool that can help you manage and keep track of your citations? [RefWorks](#) is an online bibliography and citation management program that's available to the Regis community. With RefWorks, you can:

- Create a personal database of citations and sources
- Use folders and tags to organize your resources by themes or topics
- Import references from online databases, Google Scholar, and other sources
- Automatically format in-text citations and generate bibliographies (*Note: Always check your citation format and make corrections as needed – Even the most advanced citation management program can make mistakes!*)

For more information about using RefWorks, including how to set up your free account, please see our [research guide](#)!

Please feel free to reach out to the library with any questions! You can e-mail us at reference@regiscollege.edu or schedule an appointment using our [Research Consultation Request form](#). As we approach the summer term, make sure to check our [website](#) for updated library hours.
