Regis College Nursing Student Loan Program

Are you looking for a way to finance your graduate nursing education with low interest rates and the potential for loan forgiveness? If so, the Regis College Nursing Student Loan Program (NSL) is a great option for you.

The NSL offers loans to qualified graduate nursing students at a fixed interest rate of 5%, which is lower than both the Unsubsidized Stafford Loan (7.05%) and the Graduate Plus loan (8.05%). Additionally, NSL loans are forgivable if consolidated with your current federal direct loans.

To be eligible for the NSL, you must be enrolled at least half-time in a graduate nursing program at Regis College and have a demonstrated financial need.

For more information about the NSL and to apply, [please visit our website](#).
