### Regis College Library

Have you set up your EBSCO account yet?

EBSCO provides access to many of the library's databases, which can assist you in your research process. For example, you can:

- Save articles and searches to a folder to keep track of your search results.
- Create e-mail alerts on your topic to get notifications about the most recent articles indexed in the EBSCO databases.
- Use the EBSCO Cite feature to get an idea of how the citation for a source should look.

To learn more about these features and tools, please see our [EBSCO research guide](#) or the full [EBSCO Features video tutorial](#)! Click the button below for contact information, library hours and more.

## Online Counseling Services

All Regis students are welcome to use our Student Assistance Program from AllOne Health, which provides students with 24/7 instant access to phone counseling with a mental health professional. Students are also able to request in person or video counseling with a private counselor in their community. Regis offers students **six free** sessions with one of these providers.

For 24/7 "in the moment support" with a mental health professional or to request a counseling referral with the AllOne Health Student Assistance Program, please call **800.756.3124**.
