Center for Internships
and Career Development

CAREER RESOURCES FOR DIVERSE STUDENTS

The Center for Internships and Career Development provides services to all members of the Pride. We openly engage all of those who are a part of our community and the diversity represented. We encourage you to explore how organizations value attracting diverse students in order to build an inclusive culture with diverse perspectives. Below are resources that you can use to learn more! For more on Regis' commitment to inclusive excellence, please visit the [Center for Inclusive Excellence](#).
