Regis College Alumni Scholarship

History

Regis established this award in September 1991 to empower alumni. We want our alumni to acknowledge high school seniors and transfer students who exhibit the qualities associated with Regis women and men. This acknowledgement is intended to encourage young women and men with strong values and academic potential to attend Regis. By nominating a student for this award, Regis alumni are taking an active role in recruiting future Regis students who “will challenge themselves academically to lead and to serve” (from the Regis College Mission Statement).

Through the years, Regis has found that many of its best students have enrolled at the university because of the influence of its alumni. Recognizing this contribution, Regis would like to encourage alumni to continue the practice of recommending students to Regis. As an incentive, the Alumni Scholarship—a $2,000 renewable scholarship, awarded to incoming undergraduate students—has been established.
