CCI Frequently Asked Questions

Do I move into my dorm on Check-In day?

Residential students will be permitted to move in after going through the Centralized Check-In process. Centralized Check-In for the Class of 2018 will begin at 8 am and go until 12 pm on September 1st. Please plan to arrive at some point during those hours to Check-In.

Can I unpack and then go to Check-In?

No. Keys will be issued once students have completed the Check-In process. All students will be directed to go to the College Hall Foyer. When moving into Residence Halls, please do not block fire lanes, double park, or block handicap egresses.

How long does Centralized Check-In (CCI) take?

CCI is a streamlined process; however, the length of the student's Check-In depends on any outstanding materials that the student may have. Students with financial holds, unpaid tuition, or missing paperwork should anticipate a longer Check-In than those students without any outstanding items. We therefore encourage students to contact these offices directly if they are unsure if they have holds. Students can also continue checking any hold status on RegisAccess. Payments received after August 28th will not be eligible for a FAST PASS. Students will not be completely “Checked-In” until holds are resolved. The Business Office and the Office of Financial Aid are located in the Center for Student Services (College Hall 221, 781-768-7270). Health Services (781-768-7290) will be present at Centralized Check-In.

What is a FAST PASS and how do I get one?

Students who have NO HOLDS are able to print out a FAST PASS for CCI. This Fast Pass allows you to use special 'Fast Lanes' and will eliminate some of your waiting time. Students can check their hold status on Regis Access. If there are no holds, you will be prompted to print out your Fast Pass.

YOU MUST BRING YOUR FAST PASS WITH YOU! If you cannot print it out from home, please stop at one of the Computer Labs before you go to CCI. You may also use your phone and/or mobile devices to display your Fast Pass. Payments received after August 28th will not be eligible for a fast pass.

When will I receive my Regis ID?

Members of the Class of 2018 and new students will receive their ID at Centralized Check-In. ALL returning students will be required to present a Regis College ID.

I am an athlete moving to campus early. When do I check-in?

All students that are on campus before September 1st are still required to attend Centralized Check-In.

Do my parents come to CCI?

Parents are not required to attend Centralized Check-In.
