**DEGREE COMPLETION GUIDELINES:**

*Class of 2012 (Current Seniors)* - Successful completion of 36 "full" academic courses or equivalency thereof: completion of all major requirements and Core Curriculum requirements (ref. att. Class of 2012 Core checklist), minimum 2.00 cumulative GPA*

*Class of 2013 (Current Juniors)* - Successful completion of 120 credits; completion of all major and Core requirements (ref. att. Class of 2013 Core checklist), minimum 2.00 cumulative GPA*

*Class of 2014 (Current Sophomores)* - Successful completion of 120 credits; completion of all major and Core requirements (ref. att. Class of 2014 and 2015 Core checklist. **N.B.** - Class of 2014 students were required to complete RC 101 (fall 2010) and RC 102 (spring 2011) for First Year Seminar as part of the Core.), minimum cumulative 2.00 GPA*

*Class of 2015 (Current First-Years)* - Successful completion of 120 credits; completion of all major and Core requirements (ref. att. Class of 2014 and 2015 Core checklist. **N.B.** - In lieu of RC 102, Class of 2015 students are required to take a designated "linked" spring 2012 discipline-specific course taught by their First Year Seminar instructor.), minimum cumulative 2.00 GPA*

***********************************************************************

* For all four classes: A minimum cumulative GPA of 2.00 is required for degree completion for most majors/programs. However, certain programs, such as Nursing, Social Work, Elementary and Secondary Teaching Licensure Programs, and the Individually-Designed Major, require the student to earn a higher minimum GPA. Please refer to specific program for details.

** - Nursing majors are actually required to successfully complete more than 120 credits (e.g. 129 credits are required for Class of 2015); please refer to Nursing Department for specifics.

*** - **Reminder:** MA 096 (Basic Algebra) and EN 100 (Basic Writing) only confer institutional credit. These courses may not be applied toward the total number of courses/credits required for degree completion! In addition, students must earn a minimum letter grade of C- in MA 100, both to advance to a higher-level Math course to fulfill the Core math requirement as well as to earn credit toward degree completion. Finally, please note that MA 211 may no longer be used to fulfill the Core Math requirement.
