Your potential is infinite. Free it.

*Through the years, Regis College has found that many of its best students have enrolled at the College because of the influence of its alumni. Recognizing this contribution, Regis would like to encourage alumni to continue the practice of recommending students to Regis College. As an incentive, the College has established the Alumni Sponsor Award, a \$2,000 scholarship, awarded to incoming students and renewable on a three-year basis.*

## History of the Regis College Alumni Sponsor Award

Regis College established this award in September 1991 to empower alumni. We want our alumni to acknowledge high school seniors and transfer students who exhibit some of the qualities normally associated with Regis College men and women. This acknowledgment is intended to encourage young men and women with strong values and academic potential to attend Regis College. By nominating a student for this award, Regis College alumni are taking an active role in recruiting future Regis students who, “will challenge themselves academically to lead and to serve.” *(from the Regis College Mission Statement)*
