

University Announcements

Course Registration Information

- **Registration Period for Online 8-Week and 16-Week Courses:**
March 6 – May 5 (for Summer 2023)
- **Registration Period for On-Campus/hybrid/24-month BSN programs:**
April 3 – May 13 (for Summer 2023)
April 3 – September 2 (for Fall 2023)

For additional important dates, refer to the [Academic Calendars](#).

Students will be assigned a specific date and time when registration will be open to them. Please register accordingly. Registration appointment times will appear through [Regis Hub](#) under:

- **Student Planning** →
- Go to **Plan your Degree & Register for Classes** →
- Select the **Schedule** tab (make sure that you are viewing the correct course term)
- View these helpful [tutorial videos](#) for additional instructions.

Important note- if a course section is planned, students still need to register for it. Students are not officially registered for the course until “Registered, but not started” under the course on their schedule appears.

Wishing everyone a great rest of the spring semester!

Class of 2023 Commencement Photo Submission

Students who plan to participate in the 2023 Commencement ceremony are invited to submit pictures to be included in a photo slideshow. **The deadline to submit photos is Friday, April 28.**

Submit Your Photos!

Graduation Application Reminder

If you anticipate completing your degree requirements in the Spring 2023 or Summer 2023 semesters, you must complete the Graduation Application on the main page of [Regis Hub](#). Completing this form will initiate the degree audit review by the Registrar's Office for possible graduation and is the official list used for Commencement activities.

Please note that there is only ONE Commencement ceremony on May 6, 2023 and all three conferral dates are eligible to participate in the May 2023 Commencement ceremony.

Commencement Information

Health Care and Information Technology Certificates

Regis now offers a suite of certificates from the Theresa Wood Lavine Division of Professional Studies at Regis College. These certificates prepare students to take industry-recognized certification exams, enhance existing skills, acquire new ones, and improve their career prospects.

Examples of certificate offerings include:

- [Phlebotomy Technician](#)

- [Patient Care Technician](#)
- [Medical Assistant](#)
- [Healthcare IT Technician](#)
- And many more!

Online Counseling Services

All Regis students are welcome to use our Student Assistance Program from AllOne Health, which provides students with 24/7 instant access to phone counseling with a mental health professional. Students are also able to request in person or video counseling with a private counselor in their community. Regis offers students **six free** sessions with one of these providers.

For 24/7 "in the moment support" with a mental health professional or to request a counseling referral with the AllOne Health Student Assistance Program, please call **800.756.3124**.

Regis College Library

Are you working on a thesis or scholarly practice project? Do you know how and when you can use copyrighted materials in your work? Copyright can be tricky to navigate and it can be confusing to understand when to request permission to use certain materials (e.g., figures, diagrams, research instruments) in your research. Our Copyright and Permissions guide can help you get started with the basics of copyright. This guide answers some of the most common questions about copyright and permission, in addition to sharing information about relevant APA Style guidelines.

Please feel free to reach out to the library with any questions! You can e-mail us at reference@regiscollege.edu or schedule an appointment using our Research Consultation Request form. Updated library hours can be found on our [website](#).

The Massachusetts Loan Repayment Program (MLRP) for Health Professionals

This program is designed to provide financial assistance to healthcare professionals who have outstanding educational loans and are willing to work in underserved areas of the state.

The program is open to physicians (MD/DO), nurse practitioners, physician assistants, certified nurse-midwives, psychiatric nurse specialists, licensed independent clinical social workers, licensed mental health counselors, licensed marriage and family therapists, licensed alcohol and drug counselors, dentists (DDS/DMD), dental hygienists, and pharmacists.

To be eligible for the program, you must have outstanding educational loans, be licensed to practice in Massachusetts, and commit to working full-time in a designated Health Professional Shortage Area (HPSA) or other underserved area for a minimum of two years.

If you are interested in learning more about the MLRP program, please visit the Health Resources and Services Administration (HRSA) website.

eTranscripts Now Available!

Regis College has partnered with the National Student Clearinghouse to offer electronic official transcripts for current Regis students and former students who attended Regis after 2000. To request an official transcript, [click this link](#) or visit [Regis Hub](#). The fee starts at \$5.25.

Please note: At the time of your request, all obligations to Regis College must be cleared, or you will be unable to obtain an official transcript. You can still submit your request, and once your holds have been cleared, your transcript will be processed automatically. After 90 days, your order will be canceled (no charge to your credit card), and you will have to resubmit the request.

You can also obtain your unofficial transcript at no charge at any time through [Regis Hub](#).

Regis College, Office of Graduate Affairs, 235 Wellesley Street, Weston, MA 02493, United States
