

Nursing Employer Spotlight Resources for Students:

East Boston Neighborhood Health Center

Contact: David Giordano, Talent Acquisition Specialist

We are looking to recruit nurses for Emergency Medicine, Family Medicine, Pediatrics, Adult, Geriatrics, OBGYN and Neighborhood PACE. We need amazing people to help us do great work. Everywhere you turn, you can feel it: passion and commitment at the East Boston Neighborhood Health Center (EBNHC), one of the largest community health centers in the country. From the nurses and physicians on the frontlines of patient care, to the managers who shape policy, to the customer service representatives who keep our facilities running smoothly — everyone here has a role in making medicine better. Striving to be an employer of choice, we offer progressive benefits, a variety of schedules, and the satisfaction of working with a diverse workforce whose unity of purpose is a real force for achievement. Plus, our Education & Training Institute is an attractive resource for many of our employees who seek to broaden their skill base and advance their careers.

Nizhoni Health- Nizhoni Health New Grad Nurse Residency Program (NGNRP)

Contact: Sonia Kuo, Director of Clinical Program Development

Nizhoni is the largest home health agency in Massachusetts with over +3,000 patients. We service the most complex patients that typically have multiple co-morbidities (including a behavioral diagnosis). Our unique patient population is typically on

service for 1100 days due to the challenges of the patient's environmental surroundings. At Nizhoni Health, we are dedicated to helping patients maintain safe and independent lifestyles in the comfort of their own homes. We deliver comprehensive, high-quality services across the spectrum of care, including skilled nursing and therapy services.

Opportunities for new RN's:

We have a new residency program for just graduating RNs who have completed their NCLEX exam. This is a 12 month program with a hands-on preceptor for the first 14 weeks. The new RN will also have a supportive care team working with the Clinical Director, Clinical Manager and their peers from day one. An Educator will also be facilitating monthly and quarterly informational sessions throughout the duration of the program. This is a fantastic opportunity for any new RNs interested in Home Health.
