REGIS NEW STUDENT
Information Guide 2019
Congratulations and welcome to the Regis community! We look forward to your arrival on campus and are excited to introduce you to your new home.

In addition to your academic studies, I encourage you to take advantage of the many wonderful opportunities to become involved at Regis. You may choose to participate in one of our 40+ student clubs and organizations, including our Student Government Association, multicultural organizations, pre-professional societies, leadership groups, or a number of other activities. You may join an intramural sports team or compete on one of our 20 NCAA Division III athletic teams. Maybe you will audition for a role in a theatrical performance and take the stage in our beautiful Casey Theatre. Are you interested in giving back to the community through participating in a service immersion trip? Our Center for Ministry and Service organizes local and international experiences that allow you to make a positive impact and affect change throughout the world.

Whatever you decide to pursue, we are here to support you along the way. Your engagement can make a difference in your life and in the lives of those around you.

I invite you to review this guide as you prepare to begin your Regis journey. Our hope is this will provide valuable information about the many resources available to you.

Again, welcome to the Pride, and I look forward to you joining our community!

If you have any questions or if we can be of any assistance prior to your arrival, please contact the Office of Student Affairs at 781-768-7050.

With Pride,

Kara Kolomitz, EdD
Vice President of Enrollment and Student Affairs
