

2026 – 2027 V5 Verification Worksheet

Independent Student

Your FAFSA was selected for review by the U.S. Dept. of Education in a process called Verification. Federal Student Aid requires Regis to confirm the information you and your spouse reported on your FAFSA prior to disbursing funds. To verify that you provided correct information, Regis will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and documents to the Office of Financial Aid.

A. Student Information:

Student Last Name	Student First Name	Student M.I.	Student ID

- The student's spouse, if applicable.
- The student's dependent children if all of the following are true:
 - They live with the student (or live apart because of college enrollment);

 - They will continue to receive more than half their support from the student during the award year.

The provided criteria for “dependent children” or “other persons” mirror the requirement that family size align with those the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2026-2027 FAFSA. As a result, the student should not include any unborn children in the family size.

If 2024 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.
