

2026 – 2027 V1 Verification Worksheet Dependent Student

Your FAFSA was selected for review by the U.S. Dept. of Education in a process called Verification. Federal Student Aid requires Regis to confirm the information you and your parents reported on your FAFSA prior to disbursing funds. To verify that you provided correct information, Regis will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and documents to the Office of Financial Aid.

If 2024 income tax return information for the student was not available or could not be used, the student should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.
