

Regis Alumni Scholarship Nomination Form

Regis College established this award in September 1991 to empower alumni. This acknowledgement is intended to encourage young men and women who exhibit the values of the Sisters of St. Joseph and academic potential to attend Regis College. By nominating a student for this award, Regis College alumni are taking an active role in recruiting future Regis students.

Through the years, Regis College has found that many of its best students have enrolled at the college because of the influence of its alumni. As an incentive, the College has established the **Alumni Scholarship**, a \$2,000 renewable scholarship, awarded to incoming undergraduate students.

To be eligible for the Regis College Alumni Scholarship a student must:

- Have a cumulative recalculated high school Grade Point Average (GPA) of at least 3.0. The Regis College Office of Undergraduate Admission recalculates GPAs on a weighted 4.0 scale.
- Apply for undergraduate admission as a first year via Early Action no later than November 15, 2018.
- Be nominated by an alumna/us of Regis College (not including parents, siblings, or grandparents) by November 15, 2018.
- All prospective first year and transfer students are eligible for the award. To receive the award students must apply and be accepted for admission.
- Regis will not consider students who do not satisfy these criteria.
