Welcome from the Dean of Students

BRIDGET BUONICONTI, ED.D.

Welcome to the Regis College community! We are excited to meet you and look forward to the many ways you will contribute to Regis' legacy.

In addition to your academic studies, I encourage you to explore and take advantage of the many opportunities to get involved at Regis. You may choose to join one of our many student clubs and organizations, including the Student Government Association, multicultural organizations, pre-professional societies, leadership groups, or a variety of other co-curricular activities. You can participate in our intramural sports programs or compete on one of our NCAA Division III athletic teams. Maybe you will decide to audition for a role in a theatrical performance and take the stage in our Casey Theatre. You may be interested in giving back to the community through participating in a service immersion trip. Our Center for Ministry and Service organize local and international experiences that allow you to make a positive impact in the world. Whatever your interest, whatever you decide to pursue, we are here to support you along the way. Our dedicated staff is here to help you achieve personal, academic, and professional success.

I invite you to review this guide as you prepare to begin your Regis journey. Our hope is that this guide will provide valuable information about the many resources available to you. If you have any questions or if we can be of any assistance prior to your arrival, please contact the Dean of Students Office at 781.768.7050 or student.affairs@regiscollege.edu. I can't wait to welcome you to campus this fall.

Sincerely,

Bridget Buoniconti, Ed.D.
