Depression and Mental Health Screenings Available

October is **National Depression and Mental Health Screening Month**. Our goal is to reduce stigma around mental health issues, to get people talking about depression and to connect students with resources.

Check out this [video message](#) from **Kathryn Klickstein**, **director of counseling** which provides more information about a free, quick, and confidential [mental health screening tool](#).

If you are interested in scheduling a video or phone appointment to talk with a counselor about your results please email [Kathryn Klickstein](#) or call [Health Services](#) at 781.768.7290. **Same day appointments are available.**

Please note that online screening tools are not diagnostic instruments. You are encouraged to share your results with a mental health or healthcare provider.

Regis COVID-19 Testing Dashboard

The [Regis Dashboard](#) tracks COVID-19 testing and results of students and employees on the Weston campus. The dashboard will be updated weekly with the most recent test results available. For more information about Regis' COVID-19 response and testing process visit our [Testing page](#).

The overall results since campus testing began on August 19, 2020 (as of September 30, 2020) can be seen below. Please note that invalid test results are excluded from the total result tallies.

Be social with us.
