Spring Residency Plan

[Residence Life](#) looks forward to inviting the maximum number of students to live on campus this spring, as allowed by necessary restrictions we have put in place to ensure the health and safety of our campus community.

For more information regarding spring residency, watch our [town hall virtual session](#) from October 26 or review the [FAQs and residency plan](#).

Veterans Day Observance

On Wednesday, November 11, Regis College will be hosting a **virtual Veterans Day Observance**.

As part of these observances, the **Veterans Day Planning Committee** invites participation from members of the Regis community. We encourage veterans, active service personnel, and members of the Regis community to [submit photos, videos, and support](#) as part of the virtual recognition program.

Flatley Scholarship Application Now Open

The [Flatley Scholars Program](#) is designed to provide stipends to undergraduate students with demonstrated financial needs who have secured unpaid, off-campus internships. **Applications are now open for the spring 2021 semester.**

For more information and to apply, contact [Susan Kennedy](#).

Update Your Contact & Demographic Information

Self-identification and updating your contact information can be done quickly through [Self-Service and Regis Hub](#).

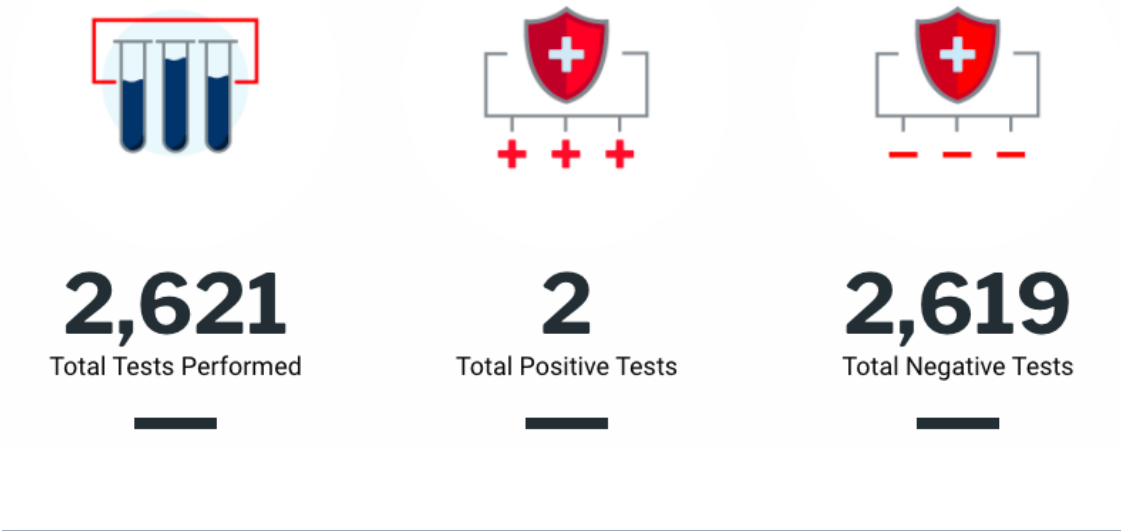

Why should you update your demographic information?

When we have a full picture of our community, we are better able to design and implement programs and resources that are relevant to our entire student body – we reduce the guesswork and the assumptions. Self-identification also helps us identify any gaps in student retention and success. This is one of the key goals in our [Institutional Action Plan to Address Systemic Racism](#).

Regis COVID-19 Testing Dashboard

The [Regis Dashboard](#) tracks COVID-19 testing and results of students and employees on the Weston campus. The dashboard will be updated weekly with the most recent test results available. For more information about Regis' COVID-19 response and testing process visit our [Testing page](#).

The overall results since campus testing began on August 19, 2020 (as of October 28, 2020) can be seen below. Please note that invalid test results are excluded from the total result tallies.
