The Clery Act

What is the Clery Act?

- The Clery Act is a federal law requiring colleges and universities that receive federal financial aid to disclose certain crime statistics and policies regarding safety and security programs on campus.

Why is it named the Clery Act?

- In 1986, Jeanne Clery was a first year student at Lehigh University. She was raped and murdered in her residence hall. Her parents asserted that if Lehigh University had accurately published its crime data, Jeanne would not have attended that university.
- The resulting backlash against unreported crimes on numerous campuses across the country led to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act to ensure transparency in campus crime reporting.

What do campuses have to do as a to comply with the Clery Act?

- Identify and train Campus Security Authorities (CSAs)

Campus Security Authorities (CSAs)

Campus Security Authorities (CSAs)

- Regis College encourages all community members to report crimes and emergencies
- Some students and employees have a specialized distinction of being Campus Security Authorities (CSAs)
- **CSAs have significant responsibility for student and campus activities**
- CSAs are critical as some people may not report crimes, especially crimes related to sexual assault or violence, to Campus Police

KEY RESPONSIBILITY:

A CSAs main responsibility is to:

- Document and report incidents of crime
- Support victims by offering resources
- Give information of how a victim can report
 - *Whether or not they report, you are responsible for reporting!*

Examples of CSA individuals at Regis College:

- Members of Student Affairs including the following offices:
 - Dean of Students
 - Residence Life
 - Center for Student Engagement
- Athletic staff members
- Advisors
- Program Directors
- Resident Assistants
- Campus Police

CSA Responsibilities

- Report **all** criminal activity to the university reported to them **directly**
 - Regis will determine what is Clery reportable
 - As a CSA, once you have been informed about a crime, Regis is “aware” of that crime and it must be reported
 - Retaliation against CSAs for reporting an incident is prohibited
- Provide information to victims on supports and resources offered by Regis College
- Provide information to victims on how to report a crime to Regis College Campus Police

NOT CSA Responsibilities

- CSAs do **not** need to report crimes:
 - Overheard in hallways or public spaces
 - Mentioned during classroom discussions or presentations
 - During speeches or public remarks
 - Learned about in an indirect (from someone else) manner
- CSAs are **not** expected to and **should not**:
 - Investigate any incidents
 - Determine whether a crime occurred
 - Apprehend alleged perpetrators of a crime
 - Try to convince a victim to contact law enforcement if they do not want to do so

- Report incidents that occurred at a different college
 - Regis College will determine if these are Clery reportable crimes
